WINSLOW JUNIOR HIGH SCHOOL

1965-1966

Clyde Gardner

In the future this yearbook will bring back many pleasant memories of friends you have enjoyed this year, of teachers who have worked many hours to help you achieve a foundation for your continued education, and it will help you recall some of the things that were done just for fun.

I hope that many other yearbooks will join this one on your bookshelf as you continue to take advantage of the educational opportunities offered by your schools.
